

MANIFESTO

MANIFESTO FOR THE POST OF NACOS ASSISTANT LIBRARIAN

In a world saturated with Information, librarians stand to be responsible for open access to learning, knowledge and research. I **NICHOLAS BENSON OLUWAFERANMI** would be willing to take this as my sole responsibility to serve as an **Assistant Librarian** of the great department of **Computer Science** as I possess track record of academic excellence, diligence and good leadership skills which makes me fit for this post. Below are some of my objectives.

OBJECTIVES:

- ❖ As an assistant to the Librarian, I would ensure that I work hand in hand with the librarian to foster learning with members of this department.
- ❖ Host events, programs and scheduling of tutorials to treat difficult and uneasy areas of academics.
- ❖ Provision of necessary and relevant academic resources and materials such as past questions, handouts, PDFs and course materials.

CONCLUSION:

Vote **NICHOLAS BENSON OLUWAFERANMI** for National Association of Computing Students (NACOS) Assistant Librarian as I promise to be diligent in accordance with my above objectives. Together, let's build a library that inspires and empowers our department!
